Love Always Wins

Cleis Press is proud to add another new annual to our award-winning ones with BEST EROTIC ROMANCE. This inaugural collection of erotic romance features the very best of the genre. In erotic romance, the sexual component is critical to the development of the romantic relationship. Within these pages you will find characters to fall in love with, as they fall for each other (or learn how to keep romance alive). Award-winning romance writer and editor Kristina Wright and her cast of terrific romance writers have crafted stories where love and passion are entwined so tightly that one cannot be separated from the other. And isn't that what a lasting relationship is all about? The need for connection and commitment, memories and history—and hot, wanton, uninhibited sex with a partner who knows us better than we know ourselves.

The stories in BEST EROTIC ROMANCE show us love and desire in all its many forms. From the worries of a new bride about her future sex life in "First Night" and long-lost lovers reuniting in "Blame it on Facebook," to exploring what's left when the bells and whistles of kinky sex are stripped away in "Another Trick Up My Sleeve," expect the unexpected. While opening one's heart comes with great risks it often offers greater rewards, and open communication mixed with a spirit of adventure can make for a scorching sex life. Whether it be fresh, new love or long term committed relationships, the stories in this collection show that true love lasts, real passion never waivers, and lovers who are meant to be will always find their way back to each other.
