For some men, it's all about the ties that bind

Best Gay Bondage Erotica

Edited by Richard Labonté

Intricately secured by ropes, locked in handcuffs, or bound simply by a lover's command, the men in these dangerously explicit stories crave erotic restraint. From professionals letting loose their inhibitions on an office retreat to a garden full of earthly "bound" delights, *Best Gay Bondage Erotica* shows what happens when men are put in their place and held there firmly. These stories will grab you, tie you down, and never let you go. Featuring the masters of gay erotic fiction including Jack Fritscher, Jeff Mann, and Larry Townsend.

"Time crawled. Damp with my own sweat, the blindfold pressed into my eyes, blue and purple dots danced in my darkened vision. My cock was aching with sexual tension. I wanted desperately to touch it for release. But Jake knew, probably better than I did, what I really wanted. He was controlling my every move. The loss of any sense of time and space played games with my mind. I was sure he was standing next to me. Could I hear him breathe? I waited for his touch. I trembled with anticipation and fear—but no one was there. I wanted Jake more than ever."
