Best Lesbian Erotica 2010

Edited by Kathleen Warnock

Best Lesbian Erotica 2010 travels around the world of lesbian sex with deliriously delicious stories that push lesbian lust and desire to new heights. Edited by Kathleen Warnock and selected and introduced by the world's hottest lesbian band, BETTY, this latest edition of the bestselling lesbian erotica series is thoughtful, surprising, and breathtaking. From inventive threesomes to gender-play to seductive first-times, the women in these stories reveal all their pleasures in this collection of arousing and sensually lyrical fiction.

“As my face neared hers, she opened her eyes and parted her lips a bit. I moved to kiss her, and her lips met mine and parted. The tips of our tongues touched, and we spent a moment there, tasting one another’s sweetness before pushing further inside. I had never tasted a mouth so soft in every way: her lips, her tongue, the way she kissed me back and probed my tongue and teeth. I felt a warmth in my stomach; every part of me was alive.”

—from “In the Sauna” by Stella Watts Kelley
