Sexy, Smart and Literate

There's a hungry audience of readers who demand women's erotica with hot sex and sublime romance—stories that truly reflect the variety of women's erotic experience. BEST WOMEN'S EROTICA 2012 is just for these readers. 5-star editor Violet Blue delivers exactly what readers want: fantasy-fueled, pulse-racing reads that push boundaries and are "let's try this as home" inspirational. Love and lust alike drive these erotic heroines' hearts, minds and bodies. The stories here reflect the cutting edge of this transformation, where there is more sex, less apology for wanting it, and strong, self-actualized characters.

In BEST WOMEN'S EROTICA 2012, the genres of smut and romance no longer exist in opposition, instead working in concert to seduce the reader. The characters in these stories want it all—desires range from the familiar to the taboo. Inside this collection lies realistic sex, believable stories and real characters—and the scene doesn't fade out when the sex begins. High erotic tension, risk and reward, something unpredictable and inspiring—women are at the center of the pleasure in these stories, and what a pleasure it is!
