Best Women's Erotica 2010

Edited by Violet Blue

Best Women's Erotica 2010 is a glorious celebration of the finest and friskiest in female erotica today. Bliss-filled, bold, and authentic, these steamy stories revel in erotic adventure, from the sparks between strangers to the knowing caresses of long-time lovers. But more than mere sexual experience, these stories deliver strong characters, clever narratives, and a wide range in adventures to choose from— from sweet to shocking and always sexy!

Praise for previous editions:

"These stories aren't only erotic—they're also enjoyable for their strong characterisation and clever narrative devices. Sex is different for each of us with every experience. This anthology is a glorious celebration of all those wonderful and warming differences."

—Erotica Readers and Writers Association
