# **Biker Boys**

## **Gay Erotic Stories**

### **Edited and introduced by Christopher Pierce**

A long, hard ride from start to finish, *Biker Boys* features easy riders, stuntmen studs, and men who aren't just wearing chaps because they look good.

The term “biker” describes a specific archetype in our culture: “real” men — rebels, outlaws, and sometimes criminals. The racy stories of *Biker Boys* evoke the passion these masculine men have for their cycles and each other. Also along for the ride are grease-monkeys who service bikes, guys who willingly take on the role of biker bitch, and road-weary men looking for a bed for the night. These sensational stories by Jeff Mann, Shane Allison, Simon Sheppard and more are filled with speed, danger, and lived-in leather.

**Christopher Pierce** is the author of the novel *Rogue: Slave* and its sequel *Rogue: Hunted*, both for StarBooks Press. He co-edited the *Fetish Chest* trilogy of anthologies for Alyson Publications with Rachel Kramer Bussel. For StarBooks Press, he has edited the collections *Men on the Edge: Dangerous Erotica*, *Taken By Force: Erotic Stories of Abduction and Captivity*, and *Sextime: Erotic Stories of Time Travel*. His short fiction has been published in thirty anthologies, including *Surfer Boys*, *Leathermen* (both Cleis Press) and *Ultimate Gay Erotica 2005, 2006, 2007 and 2008* (Alyson).
