College Boys

Gay Erotic Stories

Edited by Shane Allison

Is it any wonder that college boys are the stuff of fantasies the world over? Whether toweling off after a swim, lurking in the library stacks, or engaging in some male bonding at the frat house, these gorgeous undergrads are good for page-turning, arousing action. *College Boys* explores the first feelings of lust for another boy, all-night study sessions with a classmate, and the excitement of a student hot for teacher. Featuring top erotic authors Rob Rosen, Simon Sheppard, Neil Plakcy, Christopher Pierce, Rachel Kramer Bussel, and more.

"We were both fully clothed, but I could feel how hard he was through all those layers. He scrambled on top of me, kissing me, grinding his dick against my leg. I knew a couple of wrestling moves, though, and quickly I had him pinned under me, our beery mouths locked together. We rolled and struggled, laughing, and ended up with me sitting on top of him, feeling his stiff prick against my ass."

—from "Coxed" by Neil Plakcy
