Heat Your Blood with these Sapphic Stories

Travel from *Twilight* into the darkest places of the human psyche—the tales in **GIRLS WHO BITE** are varied, unexpected, and soul-scorching. Bestselling romance writer Delilah Devlin and her contributors investigate vampire myths from around the world, and add fresh girl-on-girl blood to the pantheon of the paranormal.

Taste the forbidden with some of the hottest erotic romance authors out there. “La Caída,” features a Mexican “salt-eater” who redeems her own soul by saving another's. In “Bloody Wicked,” a powerful witch’s spell to lure a lover turns her into a vampire’s love slave. South African “Impundulu” sweeps you back into a vampire’s primeval beginnings. Bloodlust forges chains and breaks them in these stories, with power in the hands of the prey as often as the predator. These are not your standard femme-with-fangs love stories, and they will leave you hungering for more.

Are they angels? No...these women are something just as eternal—but much more interesting.

With a list of contributors that include Adele Dubois, Christine d’Abo, Paisley Smith, Myla Jackson, Shayla Kersten and Vivi Anna, Devlin delivers a shadowy, sexy read you can sink your teeth into.
