### **Sizzling stories of attraction**

From hunky father figures to dominant leathermen, *Hot Daddies* collects stories capturing the erotic dynamic between younger and older men, their emotional connections, and the benefits of sexual mentorship. Contributors include storied master of the genre Jack Fritscher, writing about an 18-year-old's sizzling summer camp romp with both a daddy and his boy; Doug Harrison, contemplating the arousing possibility of a boy with two daddies; and Jeff Mann, exploring the dilemma of a young man torn between the comfort of his long-time boyfriend and the excitement of consensual submission. Erotica veterans Mark Wildyr, Gavin Atlas and Dominic Santi as well as younger authors Xan West, Jamie Freeman and Kyle Lukoff all celebrate the erotic charge that age and experience imparts.

This unique collection of erotic stories reveals the sexual and emotional bonds between older and younger men: from boys falling for the charms of a beautiful bear, to twink hankering for silver foxes, to world-weary men guiding spunky lads just coming out.
