FOR IMMEDIATE RELEASE

Life Is What You Make It!

Inspired by the timeless quote by great writer George Eliot, *It's Never Too Late to Be What You Might Have Been* is a guidebook to getting the life you always wanted. Written in best-selling author BJ Gallagher's trademark warm and witty style, this book is written for, in her own words, "Everyone who has let fear or busyness or any reason good or bad get in the way of achieving your highest goals and long-held dreams, and isn't that everyone? My intention in writing this book is to give people a hand to hold in taking the next leap or maybe a kick in the pants to get our there and just do it!" Gallagher gives personal examples through interviews with people who have achieved their dreams with specific tips for readers to take away. Inspirational quotes seamlessly tie famous people's wisdom with your neighbors' wisdom, leaving the reader with feelings of support and a can-do attitude.

This book is to help readers figure out what they want from life, what they can offer others and the world, and to give the motivation, the push, and the inspiration to take the first step toward that dream, in any area of one's life. No subject is left unmentioned; whether you are changing you job, suddenly becoming an artist or an athlete, in any stage of life, or falling in love for the first time, or the last time, Gallagher reminds readers that "you were put on this earth to be the best 'you' that you can be" and that you're the only one who can take on that task and succeed! Readers will undoubtedly find themselves quoting from this book and passing along the messages in their own words to loved ones and strangers alike.

About the author:

BJ Gallagher is an international bestselling author who graduated from the University of Southern California with a BA in Sociology. She has been featured on The CBS Evening News, The Today Show, Fox News, PBS, CNN and quoted frequently in media like O: The Oprah Magazine, Redbook, Women's World, the New York Times, the Chicago Tribune, the Wall Street Journal, CareerBuilder.com, and MSNBC.com, among others. BJ also conducts seminars and delivers keynote addresses at conferences and professional meetings internationally.
