Muscle Men

Rock Hard Gay Erotica
Edited by Richard Labonté

Muscle Men is a celebration of the beautiful body, where men who look like Greek gods are worshipped for their outsized attributes. Editor Richard Labonté takes us into the erotic world of body builders and the men who desire them. These uninhibited stories are by the masters of the genre, including Jack Fritscher, Jeff Mann, Steven Bereznai, Tom Fuchs, and Ryan Field. At the gym, in the locker room, and especially in the steam room, the hunks who look hard, work hard, and play hard inspire fantasies the world over. Visit the masculine studs of *Muscle Men* to enjoy a taste of their strength and power.

Richard Labonté lives on small, friendly Bowen Island, off the coast of British Columbia, Canada. One of the founders of A Different Light Bookstore, he has edited the *Best Gay Erotica* series since 1996. He reviews 100 books a year for *Q Syndicate*, which distributes "Book Marks," his fortnightly column; writes the "Books to Watch Out For/Gay Men's Edition" newsletter; and writes book reviews for *Publishers Weekly*. Husband Asa and canines Percy and Zak are his constant companions.
