# Open for Business

## Tales of Office Sex

Edited by Alison Tyler

Say goodbye to the uptight workplace and hello to these deliciously taboo fantasies of nine-to-five workers getting down and dirty in any available cubicle, office, or elevator—regardless of who’s watching. In *Open for Business*, Alison Tyler invites you to relish the transgressive thrills of sex where it’s not supposed to happen. A stern female hotel manager dispenses some very personal punishment to an errant male elevator operator. A hunky high-rise window washer seduces a hot temp on the other side of the glass. An executive assistant gets an unusual dressing down for her exhibitionist ways. Secret self-love, furtive trysts, voyeurism, and spanking—these 22 stories give new meaning to mixing business with pleasure.

***“Is Maybird really your name?” I asked finally.***

***She arched an eyebrow and tilted her head. “Is that limp noodle really your fiancé?”***

***“No! Oh, God, no.” Is that what he’d been telling people? I fluttered and flapped like an alarmed bird, desperate that she know the truth. A slow smile it up her round, calm face.***

***“I’m glad. His office is only on the fifteenth floor, you know. A splendid creature like you should be dating well above the twentieth.”***
