Playing with Fire

Taboo Erotica

Edited by Alison Tyler

Why should you play hard to get when you can play with fire? The forbidden has never been so appealing as it is in Alison Tyler's latest collection. In these incendiary stories that explore the taboo side of erotica, couples go about setting their boundaries aflame. Committed to each other without question, they play out their naughtiest fantasies, pushing the limits of sex, lust, and the imagination as far as they can to please each other. Playing it a bit riskier and playing it a bit more daring will send readers and their partners steaming towards the next step in sexual exploration. Featuring new work from ADR Forte, Jolene Hui, Sommer Marsden, Shanna Germain, and others, *Playing With Fire* delivers enough heat to inspire readers to burn their own erotic bridges.

Called a “trollop with a laptop” by the *East Bay Express*, a “literary siren” by Good Vibrations, and “over caffeinated” by her favorite local barista, ALISON TYLER has made being naughty a full-time job. Her short stories appear in more than eighty anthologies including *Rubber Sex* (Cleis), *Dirty Girls* (Seal Press), and *Sex for America* (Harper Perennial). She is the author of more than twenty-five erotic novels, most recently *Melt with You* (Virgin), and the editor of more than forty-five explicit anthologies, including *J Is for Jealousy* (Cleis), *Naughty Fairy Tales from A to Z* (Plume), and *Naked Erotica* (Pretty Things Press).
